

The Apple Xmas Party

Fancy Dress Theme:

Celebrities you wish were Dead!

with

The Detectives of Perspective

The Apple is the world's first Cider Boat, a beautifully converted Dutch Barge moored in Central Bristol. The Apple's first Christmas Party will be on Saturday 16th December. The Upper Deck will be converted into a dancefloor for the occasion with cider-loving party animals The Detectives of Perspective kicking out the jams til 2am. This will be a guaranteed sell out so buy a ticket to avoid crushing disappointment!
